

Appendix 1: Questions

Survey of UW Study Spaces

For my user research class (HCDE 313), I am researching how UW students use different types of on-campus study spaces and why they utilize those spaces. With this knowledge, I hope to assist in the creation of improved study spaces that best meet student needs. Your information will be kept confidential and your participation is voluntary. Please email me at somanik@uw.edu with any questions or concerns. Thank you for your time!
